

Dear Community Member,

Over a year ago, Skidmark CLE kickstarted the Motogo program and launched the journey to put tools back in the hands of students across Northeast Ohio. We finished last school year having served **283 students in over 220 hours of programming** and are on track to double that impact this year!

Numbers only share a part of the important growing impact. . Motogo student, Lillien, a Senior at Magnificat, said it best...

"I have learned I am capable of getting dirty and putting in elbow grease. Considering the fact that on a tool pretest, I mistook wrenches for pliers - I have grown immensely. I have developed better motor skills and gained confidence in a setting other than the typical classroom environment. I have gotten comfortable with failure and learned to utilize it to my advantage...I love this class and never want it to end!"

We invite you to support Motogo students like Lillien on **Saturday, February 8, 2020**, as we fuel Motogo's capacity during our second annual benefit **BRINGIN' BACK SHOP CLASS!** This year's fundraiser will be held at the historic LaSalle Theatre on East 185th Street.

Motogo first hit the road with our pilot shop class at Magnificat High School, and has morphed from strictly a mobile class, to a shop class serving students at various CMSD High Schools, Shaker Middle School, Boys Hope Girls Hope, The Cleveland Public Library, University Settlement and The Girl Scouts, on their campuses, at Skidmark Garage, and in pop-up shop locations across the state.

Motogo is reaching a broader audience faster than we ever could have imagined. Our biggest challenge now is finding the means to serve everyone. Motogo could reach many more students, but we need your help. **Would you consider supporting the *Bringing' Back Shop Class* benefit event with a sponsorship?** Please review the additional page for Event Sponsorship Opportunities and packages.

We hope you will join us on February 8th as we rev up **Motogo!**

Molly Vaughan
Executive Director
Motogo Mobile Shop Class
